"When you don't want to stick your tool in just any pouch" - McGuire-Nicholas

We know what's important to you, so for nearly 75 years we have provided the solutions to make your work Faster, Easier and Safer. With Design, Innovation, Quality and Commitment to excellence, our products are time tested and proven to be the best on the market. When "Good Enough" Isn't, look to McGuire-Nicholas® to provide the best solution on the jobsite.

Introducing: **TOUGHSKIN** and **TOUGHWEAR...the TOUGHEST**
Leathers and Synthetic material on the market !

- | | | |
|-------------------|---|--|
| TOUGHSKIN™ |  | Premium Full Grain Cowhide Leather that is treated with a special blend of oils and waxes |
| TOUGHSKIN™ |  | The Classic "Tool Belt Leather" Full Grain Cowhide Leather is buffed on the grainside, making it soft and supple |
| TOUGHSKIN™ |  | Sueded Leather is tanned for maximum flexibility and comfort |
| TOUGHWEAR™ |  | One Thousand Six Hundred Eighty strands of Industrial High Density Fiber weaved for maximum protection |
| TOUGHWEAR™ |  | One Thousand strands of Industrial High Density Yarns weaved to withstand daily job pounding on any jobsite |
| TOUGHWEAR™ |  | The One that started it all, this Heavy-Duty yet lightweight material is puncture, tear and water resistant |

* Look for these symbols to indicate **HOT** new additions for 2005

- indicates a new item for 2005

- indicates a new color for 2005

- indicates the ability to add this new suspender to your rig thus creating a "suspension rig" for more comfort.
